

AUTHORIZED BODY No. 224

Institute for Testing and Certification, Inc., T. Bati 299, 764 21 Zlín, Czech Republic

Authorization granted by the Decision No. 30/2006 dated 30th August 2006

PRODUCT CERTIFICATE

No. 08 0824 V/AO/b

In compliance with the provision of Section 5a, Subsection 2 of the Government Order No. 163/2002, Collection of Laws, as amended by the Government Order No. 312/2005, Collection of Laws, which lays down technical requirements for selected building products, the Authorized Body No. 224 confirms that for the construction product

Pipes and fittings from unplasticized PVC-UHT with structured-wall, laminated with softened center, system Bipeau SN 4, system Bipeau plus SN 8, d 110 mm- d 500 mm, for non-pressure underground sewerage systems

placed on the market by the manufacturer

Alphacan Omniplast GmbH
Am Bahnhof, 35630 Ehringshausen, Germany
DIČ: DE811162470

from the production site

Alphacan Omniplast GmbH
Am Bahnhof, 35630 Ehringshausen, Germany

it has reviewed the documents submitted by the applicant, carried out the initial type testing on a sample and assessed the factory production control. The Authorized Body No. 224 ascertained conformity of the product properties with essential requirements of the Government Order No. 163/2002, Collection of Laws, as amended by the Government Order No. 312/2005, Collection of Laws, which are specified by the following technical standards **ČSN EN 13476-2**.

Further, the Authorized Body No. 224 ascertained that the factory production control complies with the submitted technical documentation and ensures that the products placed on the market fulfil the requirements laid down by the above mentioned Construction Technical Approval and by the technical documentation pursuant to Section 4, Subsection 3 of the Government Order No. 163/2002, as amended.

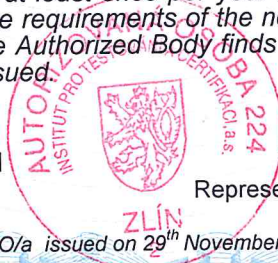

The certificate was issued on the basis of the Final Report No. **793501076/2011** dated 29th November 2011 and the Annual Inspection Report No. **343504051/2014** dated 24th January 2014, containing conclusions of the assessment, the test results obtained and basic description of the product, as necessary for its identification.

This Certificate remains valid as long as the requirements laid down in the technical documentation and/or Construction Technical Approval in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

The Authorized Body No. 224 performs at least once per year a surveillance of the factory production control in the production site with the requirements of the norms according to the Section 5a, of the mentioned Government Order. If the Authorized Body finds any shortcomings it has the right to cancel or amend the Certificate it has issued.

Issued in Zlín on
Revision b.):
